

THE VIKINGS

Contact and Trade

Activities

1. In your groups using the Ipad provided, research through trustworthy sources (try not to use Wikipedia) the contact that the Vikings had with foreign countries. Once completed, locate them on the map provided.
2. Below are two columns of five countries/continents and the resources that were traded by the Vikings. Draw a line to connect the country with the right resource. You may use your Ipad for assistance.

Central Asia
Middle East
Byzantium (Istanbul)
France
Germany
